ORDER

MICHAEL J. MACCO,

Appellee.

ROSS, United States District Judge.

On July 11, 2003, appellant pro se Sharmaine Edwards filed the instant appeal from an order of the Bankruptcy Court entered on July 1, 2003. The court dismissed the appeal without prejudice on March 11, 2004. Appellant filed a Notice of Appeal with the Second Circuit Court of Appeals on April 15, 2004. On the same day, appellant submitted a filing to the Chief Judge of this court. By Memorandum and Order dated August 9, 2004, this court indicated that although it was without jurisdiction at that time due to the appeal, the court intended to vacate the dismissal pursuant to Federal Rule of Civil Procedure 60(b) should the Court of Appeals remand the action. The action was remanded on March 18, 2005. The court's memorandum and order dated March 11, 2004 dismissing the appeal is hereby vacated and withdrawn.

The court has before it a submission from appellant entitled "Brief in Support of Appeal," a copy of which is attached, filed with the court on March 12, 2004, and again on April 15, 2004. If appellant intends that this document serve as her brief supporting her appeal

of the bankruptcy court's decision, the court asks that she indicate this in a letter to the court and the Bankruptcy Trustee. If plaintiff previously filed a different document intended to serve as her appeal brief, the court regrets that it does not have a copy of that document and asks appellant to file another copy of that document or file a new brief with the court.

Appellant is advised that this court will not accept any filings that do not include proof of service on the bankruptcy trustee. See Fed. R. Civ. P. 5. Proof of service requires Appellant to affirm under penalty of perjury that she mailed or delivered a copy of the relevant document to the trustee, Michael Macco, at 135 Pinelawn Road, Suite 120 South, Melville, New York 11747. This affirmation must contain the date and manner of service and must be signed by Appellant. Any documents filed without proof of service will be returned to Appellant.

Appellant is directed to file her brief or send a letter indicating her intention to rely on the March 12, 2004 document no later than April 22, 2005. Appellee's brief shall be served and filed within 15 days after service of appellant's brief. Appellant is directed to serve and file her reply brief, if any, within 10 days after service of appellee's brief.

SO ORDERED.
